

# COVID-19 TESTING FOR ALL FOR A COVID-FREE NEW YORK!

Text 'COVID TEST' to 855-48 or go to [nyc.gov/covidtest](https://nyc.gov/covidtest)

Any health information you share is confidential and protected by law, even if you are undocumented.

Under no circumstances should anyone answer questions about immigration status to any doctor or state or local official.

Information you share will be used to keep your family and community safe.

ICE or any other law enforcement agency **CANNOT** access the information you provide when you get tested.

Immigration authorities will not consider testing, treatment, nor preventative care related to COVID-19 for Public Charge purposes.
